<p><i>In the description column, please note that sizes describe height unless followed by a "W" to denote width. Sizes which contain the "x" are height by width. Standard or high graft material may have an overall height followed by the head size width. GH refers to graft height. An asterisk (*) by a quantity means that quantities are limited per customer. Any B&amp;B material will incur an additional cost to containerize, when requested. Please call for prices.</i></p>
